SERVICES AND PRICES

Stay in a chalet

Due to the COVID-19 pandemic, we have had to adapt our offer. Visitors staying in a chalet will not have access to hotel services during the following period: November 1st, 2020 to April 30, 2021.

If the Customer chooses to stay in one of our accommodations, the price of the stay includes the rental of the accommodation, according to the number of people (according to capacity), charges (water, electricity) and parking for one vehicle. The price also includes the provision of sheets and towels. The rentals are non-smoking. Additional elements present on the pitch (parking for an extra vehicle, animal, etc.) are subject to an additional daily cost. Stays during the holiday periods listed in the "Holiday periods" section are for a minimum of two nights. For security reasons, the number of people arriving for a stay cannot exceed the capacity of the accommodation.

Stay in a hotel room

If the CUSTOMER chooses to stay in one of our hotel rooms, the price of the stay is calculated on a flat rate basis for 2 adults and includes the provision of a hotel room (which can accommodate 2 to 4 people, depending on the capacity of the room), parking for one vehicle, access to the site's facilities, activities and services determined in the special conditions. Additional persons (adults or children over 12 years old) or additional items are subject to an additional daily cost. Stays during the holiday periods listed in the "Holiday periods" section are for a minimum of two to three nights. For security reasons, the number of people arriving for a stay cannot exceed the capacity of the hotel room.

Check in

Accommodation is available from 4pm on the day of arrival and must be vacated by 10am on the day of departure. In case of early arrival and according to availability on the site, everything will be done to reduce the Customer's waiting time.

Evolution of prices

Rates are dynamic and may change as the season progresses. HOTEL HORIZON cannot be held responsible for any difference in cost between two stays booked for the same period.

The rates indicated on the site are in Canadian dollars, excluding applicable taxes. Any change or modification of rates as well as any change in the taxes applicable to the stay, at the date of invoicing, may be reflected in the price of the stay. In the event of a late check-out, a 50\$ penalty for every 30 minutes will be charged to your stay.

Tourist Tax

The tourist tax collected and to be paid is not included in our rates. The amount, determined per person and per day, is variable according to the destinations and could be modified during the year.

Promotions

Promotional offers are subject to certain conditions, in particular, availability. Moreover, price reductions or promotional operations cannot be combined unless otherwise stated.

On these occasions, it is possible that customers may have paid different prices for the same stay. Customers who have paid the highest price will not be able to benefit from a refund of the difference between the price they have paid and the promotional price.

RESERVATION ET PAYMENT

Booking Conditions

The Customer has the possibility to make a reservation online, by telephone or on site, from the presentation of the accommodation and services offered on the website www.hotelhorizon-sutton.com.

Any reservation of a chalet must be accompanied by a payment including: a deposit equal to 100% of the total amount of the stay. Whatever the accommodation and the chosen channel, the reservation becomes effective only after sending the written confirmation of reservation by email from HOTEL HORIZON and, after collection of the amount due for the chalets.

Online reservation

For online bookings, payment will imply tacit acceptance of these terms and conditions. Following his reservation, the customer will receive a confirmation by e-mail containing the details of his stay (content of the services, dates and duration, price and terms of payment).

Electronic signature applicable to online sales

The online provision of the Customer's credit card number and the final validation of the order will be proof of the Customer's agreement to:

- Pay the sums due for the reservation,
- Sign and express acceptance of all operations carried out.

In the event of fraudulent use of the credit card, the buyer is invited, as soon as this use has been established, to contact our central reservation office by telephone or by e-mail.

Payment of the outstanding amount

The remaining balance of the stay in the chalet, taxes included, is payable at the time of reservation. The total amount of the stay for a hotel room, taxes included, is payable at the end of the stay.

Payment method

When booking a chalet, the payment of the deposit is made by credit card (the accepted cards are those of the Visa, Eurocard/Mastercard networks). The transaction is immediately debited to the Customer's credit card after verification of the Customer's details. The payment of the balance due is payable by credit card or cash. By providing their credit card details, the Customer authorizes HOTEL HORIZON to debit their credit card for the amount of the deposit for the stay. To this end, the Customer confirms that he is the holder of the bank card to be debited and that the name appearing on his bank card is indeed his own.

Allocation of pitches / accommodation

The assignment of the rental unit numbers is carried out indiscriminately in the order in which the reservations are posted. Under no circumstances can the Management guarantee that the pitch or rental accommodation requested by the Customer will be allocated to him.

The HOTEL HORIZON cannot be held responsible in case of theft or damage of the personal objects of the Customer except in the case of proven failure of the hotel to meet its contractual obligations.
